# SALZBURGER SEENLAND

## Leisuretime Paradise close to the Mozart and Music Festival City of Salzburg

Relaxation and activities in a gently undulating countryside, cultural highlights and a wide spectrum of sporting facilities guarantee a varied and interesting stay in the Salzburg Lake District. **WALLERSEE, MATTSEE, GRABENSEE and OBERTRUMER SEE** lakes embedded in a picturesque countryside. Enjoy our hospitality and recuperate from all the noise and stress of hectic day-to-day routine in our idyllic holiday area, situated 10 – 20 km north of the Mozart City of Salzburg, with a panoramic background of the Alps.

Cyclists and ramblers appreciate the particular appeal of the incomparable countryside. Snug spots for a break, with wooden sunbeds, and numerous other gems can be discovered daily along the walking and cycling paths. Equally interesting are the good, authentic pubs, restaurants and cosy inns throughout the Lake District with their culinary specialities and traditional dishes.

## Leisuretime & Relaxation

On warm, sunny summer days people, large or small and young or old, head for the lakeside beaches on the banks of the **WALLER-SEE, MATTSEE, GRABENSEE and OBERTRUMER SEE**.

Excursions can be made to Gut Aiderbichl animal sanctuary, the Trumer Bierwelt, (brewery), the Ferdinand Porsche Museum, the Fahr(t)raum, with veteran cars and tractors, and the Literature Centre in Henndorf. For the more athletic there is the High Rope Park in Seeham with its Europa Slide, or more relaxing is a boat trip on the "Seenland".

Culture and entertainment of the best and with top artists on mild summer evenings, when the Diabelli Sommer Association presents high quality musical concerts. In addition there is a Beer Cabaret in a beer cellar or dramas and spectacles on the waterside stage in Seeham.

Fantasia Fun Park in Strasswalchen with over 60 different attractions, the Bumble Bee Trail, the Doll's Museum, the Ice Age Trail or the Open-air Cinema provide activity and entertainment for all the family.

All excursions and activities in the Lake District are described fully in the brochure "**Discover and Experience**" and online under [www.salzburger-seenland.at/en](http://www.salzburger-seenland.at/en)

# HOLIDAYS IN THE LAKE DISTRICT

# REGION FOR CYCLISTS

## Active in the Lake District

Green hills – blue lakes! A gentle lake area far from mass tourism. Ideal for amateur cyclists, racing cyclists, bike tours and lakeside hikers. Certain cycling trails take you farther afield, such as the Barocktour, the Bajuwaren trail, the Mozart trail and the Tauernrad trail, past some very interesting places. A particularly interesting cycling trip is the tour from “Herbal Garden to Herbal Garden”, leading through all the villages in the Lake District. Charging points for electric bikes are provided en route.

Another interesting path leads through the Buchberg National Park, with its newly-built childrens' playground and magnificent panoramic view from the observation deck. Then in Seeham there is the mysterious “Devils Gorge” with its old flint mill.

This idyllic area provides numerous facilities for water- sports, such as surfing, stand-up paddling, sailing, kite surfing and of course swimming.

We will willingly send you the **Cyclists Map and Excursion Suggestions** on request.  
An interactive cycling map is available under [www.salzburger-seenland.at/en](http://www.salzburger-seenland.at/en)

## Will appeal to your senses

17 experts and TEH qualified professionals (Traditional European Alternative Medicines) possess long-standing and authentic knowledge about the use and effects of herbs. Our year-round programme includes guided tours through herbal gardens, walking tours through forests and meadows and cooking workshops, which include the use of herbal products.

## Advent

Traditional and rural customs accompany us through the magic and tranquillity of this pre-Christmas time with fragrant herbs such as juniper, fleabane, inula, sagewort and joss-sticks. The Christmas markets in Salzburg, a boat trip at dusk on lake Mattsee, Christmas tales told at the animal sanctuary of Gut Aiderbichl, all make for a cosy Christmassy feeling.

A visit to the Silent Night Chapel in Oberndorf, where you can learn about the origins of this world-famous Christmas Carol 200 years ago, is well worth a visit.

The year-round programme **KRÄUTERleben** and Advent offers can be found in our brochures and under [www.seenland-kraeuterleben.at](http://www.seenland-kraeuterleben.at)

## Regional and organic

The superior quality of the waters makes the region a paradise for anglers. Fish fans, without fishing rods and scoops, can find fish speciality restaurants of various types and qualities all around the lakes.

Our farm shops, organic shops and weekly markets offer a wide choice of local products, including tasty organic chocolate!

Certain restaurants and inns serve herbal specialities during the culinary “Herbal Days”. The organic village of Seeham (Biodorf) was awarded a climate protection prize in 2015. How about a picnic at the lakeside with a picnic basket from an organic shop (Bioladen)?

All caterers, restaurants, inns and hotels in the Salzburg Lake District can be found in our brochures „**Culinary Specialities**“ or under [www.salzburger-seenland.at/en](http://www.salzburger-seenland.at/en)

# DISCOVER & ENJOY: HIGHLIGHTS

## FAHR(T)RAUM MATTSEE

### Milestone in Mobility

Is a veteran car museum exhibiting vehicles which were developed at the beginning of the 20th century by Ferdinand Porsche. It includes a show of tractors, a Carrera model race track, modern driving simulators and a childrens' workshop. Something for the whole family.

**Also available on hire:** chauffeur-driven oldtimers.

## TRUMER WORLD OF BEER

### Fascinating brewery world

A traditional brewery in modern premises. An informative guided tour is available showing how beer has been made over the years.

**In particular:** after the tour, beer-tasting in the brewery-owned pub!

## GUT AIDERBICHL

### Paradise for Animals

Michael Aufhauser opened this animal sanctuary in Henndorf am Wallersee in 2001. Guided tours are available every hour, showing the care and idiosyncrasies of the different animals.

**Very popular:** the Easter and Christmas markets.

## STERNWARTE

### Observatory on the Haunsberg

In summer 2018 a new modern Vega observatory was opened on the Haunsberg. The observatory is used in astronomy and world space research and brings the stars down to earth with two high performance telescopes

**Magnificent:** the view from the observation deck

Further excursions and activities to be found in the brochure „Discover & Enjoy“, in the group flyer and under [www.salzburger-seenland.at/en](http://www.salzburger-seenland.at/en)

# ACCOMMODATION

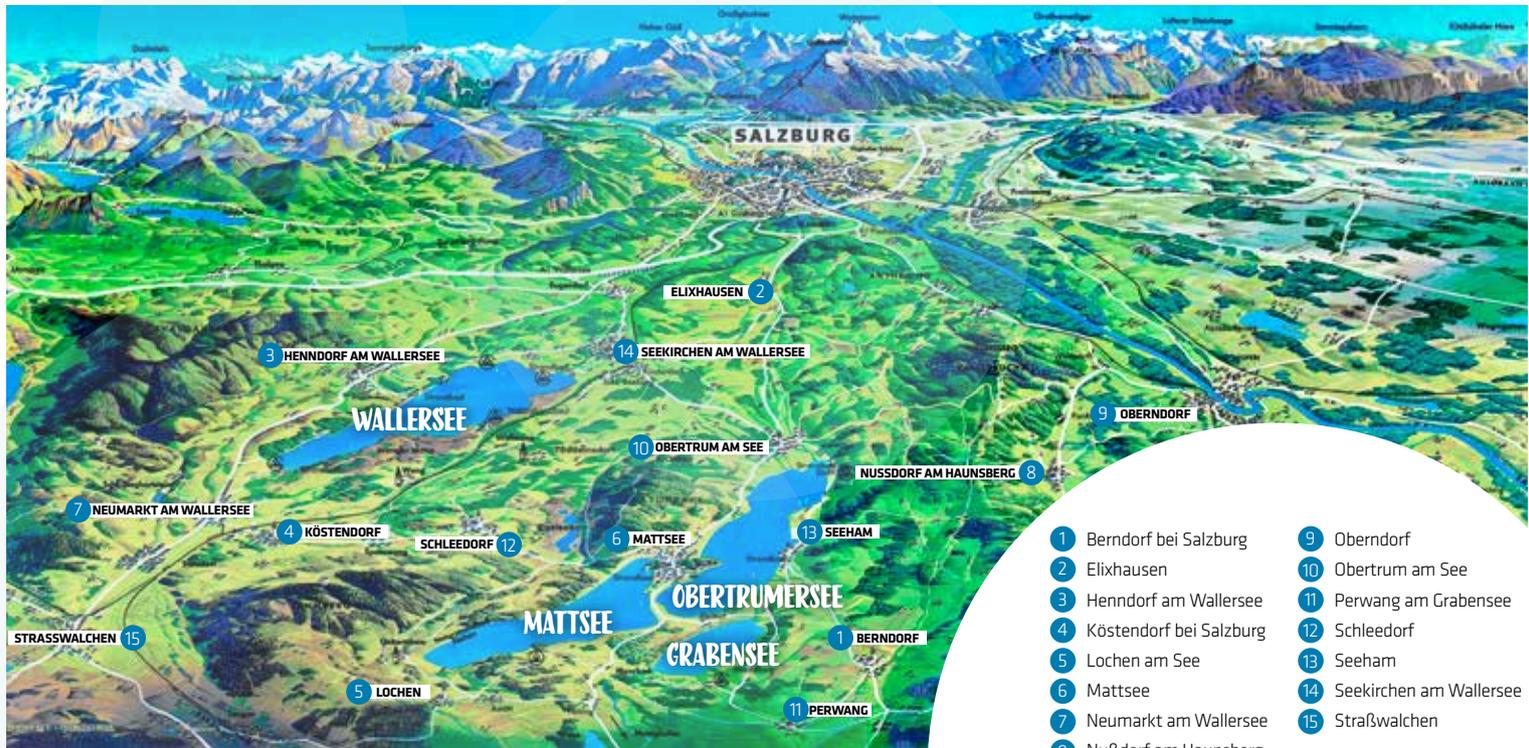

## Farms, inns, bed & breakfast, hotels

The choice of different accommodation varies from hotels to holidays on the farm. For help in finding the right choice, see our brochure „Accommodation & Camping“ or the presentation of all houses and hotels under our homepage [www.salzburger-seenland.at/en](http://www.salzburger-seenland.at/en). Some of our hosts offer the “Seenland Card” which entitles guests to discounts on certain products and activities, and in some cases, free admission

The Salzburg Seenland Team are at your disposal with advice and recommendations.

All accommodation in the Salzburg Lake District can be found in the brochure „Accommodation & Camping“ or under [www.salzburger-seenland.at/en](http://www.salzburger-seenland.at/en)
