## Advent

The pre-Christmas season offers numerous atmospheric experiences in the villages, from festive markets like “Lichter Leuchten” in Seekirchen, “Seezauber” in Neumarkt, and the Mattsee Advent to the Christmas fairytale at Gut Aiderbichl with a nativity scene featuring donkeys and sheep.

In Salzburg, large Christkindl markets draw visitors, while Perchten and Krampus runs showcase mystical traditions. A visit to the Silent Night Chapel or Museum in Oberndorf vividly presents the creation of the famous song 200 years ago.
